25X1B

[REDACTED] Comment. Since 18 April 1951 the number of jet fighters observed at the field has risen continuously. It is believed that an entire regiment has now been equipped with jet aircraft. The type of the jet planes has not yet been determined.

25X1A\*\*

[REDACTED] Comment. [REDACTED] have been observed at all places in Austria occupied by the Soviet Air Force. The vehicles are believed to belong to a motor transport unit directly assigned to the Second Air Army. The purpose of the personnel shipments from Baden and Voelzlau to Wiener Neustadt is not known.
